

Enter Confined Space Refresher

Our Aims

- To maintain competence in work associated with the health and safety of any persons required to enter or work in a confined space.
- To provide a friendly, relaxed and comfortable learning environment.
- To support (if necessary), any special needs you may have with your learning, to the best of our ability and to ensure your training is enjoyable and meets your specific learning needs.

Duration of Training

1 Day Course

Course Content

- Assess confined space for entry
- Use safety equipment and clothing
- Control confined space entry
- Conclude confined space operations
- Identify the scope of the permit
- Prepare for permitted work
- Work in accordance with an issued permit
- Complete permit to work

Location

Capable Training provides flexible training. Training can be delivered at our customised Skills Training Centre or on request, at client sites.

Assessment

- Written assessment
- Observation group work
- Holistic assessment
- Practical exercises

Your trainer and assessor will clearly explain the assessment process to you and support you where necessary to ensure you have a complete understanding of the assessment process prior to commencing any assessment.

Outcomes

Successful participants will receive a certificate in:

- **Confined Space Refresher**

Pre-requisites

People wishing to enrol in the Enter Confined Space (Refresher) course will need to provide their original Enter Confined Space permit prior to participating in the course.
