

## OHS Consultation 90502NSW

### Our Aims

- To familiarise OHS committee members and OHS representatives with the knowledge and skills necessary to apply the principles of workplace OHS consultation as an integral part of an effective OHS management system (OHSMS).
- To assist in the development of appropriate attitudes to enable OHS committee members and OHS representatives to effectively carry out their functions under OHS legislation.

### Duration of Training

4 Day Course

### Course Content

- Workbook activities
- group interaction, brainstorming and discussion
- Risk assessments
- Workplace inspections
- Group activities

### Location

Capable Training provides flexible training. Training can be delivered at one of our training venues or if a group/Company booking, we can deliver training on your premises.

### Assessment

Informal assessment has been chosen as the most appropriate option for this course due to the type of learning and interaction required to achieve the outcome. The trainer will act as the assessor in this process and should be aware of individual involvement and performance of all participants.

### Outcomes

Successful participants will receive a Statement of Attainment in:

- **90502NSW OHS Consultation**

NSW WorkCover Accreditation.

### Pre-requisites

There are no pre-requisites or co-requisites for this course.
